- o Knowledge of management and supervisory principles and practices.
- o Knowledge of county geography, streets, roads, and buildings.
- o Knowledge of relevant training standards.
- o Skill in the use of specialized hazardous materials databases and modeling software for mitigation, preparedness, response, and recovery purposes.
- o Skill in coordinating mitigation, preparedness, response, and recovery operations.
- o Skill in supervising and participating in the response to emergency scenes.
- o Skill in the operation of job related vehicles, equipment, and tools.
- o Skill in planning, directing, and supervising the work of subordinate personnel.

SUPERVISORY CONTROLS: The Public Safety Director/Fire Chief assigns work in terms of very general instructions. The supervisor spot-checks completed work for compliance with procedures and the nature and propriety of the final results.

GUIDELINES: Guidelines include the Emergency Management Act, the Super Fund Reauthorization Act, National Incident Management Fund, federal emergency management disaster response publications, the National Response Plan, the Georgia Emergency Management Agency Response Plan, department policies and procedures, and medical protocols. These guidelines require judgment, selection, and interpretation in application.

COMPLEXITY: The work consists of varied supervisory, administrative, and emergency management duties. Strict and frequently changing regulations contribute to the complexity of the position.

SCOPE AND EFFECT: The purpose of this position is to coordinate the county's emergency management program. Success in this position contributes to the safety and well being of county residents.

PERSONAL CONTACTS: Contacts are typically with co-workers, state and federal employees, representatives of businesses with large industrial facilities, plant managers, industrial safety managers, members of the news media, health care providers, law enforcement personnel, and members of the general public.

PURPOSE OF CONTACTS: Contacts are typically to give or exchange information; resolve problems; provide services; motivate and influence persons; or justify, defend, negotiate, or settle matters.

PHYSICAL DEMANDS: The work is performed while intermittently sitting, standing, bending, crouching, climbing stairs, stooping all while dressed in work uniform or wearing PPE and could be carrying additional equipment. The employee occasionally lifts light and heavy objects including medical patients, climbs ladders up to 100+ feet in height, and uses tools or equipment requiring a high degree of dexterity.

WORK ENVIRONMENT: The work is typically performed in an office, stockroom, outdoors, and at the scene of emergency incidents. The employee may be exposed to fire, smoke, noise, dust, dirt, grease, machinery with moving parts, contagious or infectious diseases or pathogens, irritating chemicals, and occasional hot, cold or inclement weather. The work requires the use of protective devices such as masks, goggles, gloves, and all protective clothing associated with Fire and EMS operations.

SUPERVISORY AND MANAGEMENT RESPONSIBILITY: This position has direct supervision over Emergency Management Specialist/Lieutenant (1) and other assigned personnel during disaster and non-disaster situations.

SPECIAL CERTIFICATIONS AND LICENSES: Possession of a valid State of Georgia driver's license (Class B) and a satisfactory Motor Vehicle Record (MVR) in compliance with County Safety and Loss Control Guidelines. Completion of the State of Georgia Department of Transportation Defensive Driving Course and/or Emergency Vehicle Operation Certification within twelve (12) months of employment.

ADA COMPLIANCE: Fayette County is an Equal Opportunity Employer. ADA requires the County to provide reasonable accommodations to qualified individuals with disabilities. Prospective and current employees are invited to discuss accommodations.

HIPAA COMPLIANCE: The Health Insurance Portability and Accountability Act of 1996, as amended, requires employees to protect the security of Protected Health Information (PHI) however it is obtained, handled, learned, heard or viewed in the course of their work.

DRUG AND ALCOHOL COMPLIANCE: In accordance of Fayette County's Substance Abuse Policy of 1996, as amended, all job applicants offered employment will undergo testing for the presence of illegal drugs and alcohol as a condition of employment. In the course of employment, employees are subject to random, reasonable suspicion, post accident and routine fitness for duty testing for illegal drugs and alcohol abuse. Employees are prohibited to work under the influence, to possess, to distribute or to sell illegal drugs in the work place or abuse alcohol on the job. Confirmed positive is reason for denial of employment and/or termination.

MINIMUM QUALIFICATIONS

- o Knowledge and level of competency commonly associated with completion of specialized training in the field of work, with a Bachelor's degree from an accredited college in the field of Emergency Management, Fire Science, EMS Technology, or other related course of study preferred.
- o Experience sufficient to thoroughly understand the work of subordinate positions to be able to answer questions and resolve problems, and a minimum of five years experience with a recognized career fire department. Two years experience as a Lieutenant or Captain with Fayette County Fire & EMS. Years of experience can run concurrently.
- o Possession of or ability to readily obtain a valid driver's licenses issued by the State of Georgia for the type of vehicle or equipment operated.

- o Meet current requirements set forth by the National Fire Protection Association as a Firefighter 2, Fire Officer 2 and meet the Georgia Firefighter Standards and Training Act.
- o Possession of State of Ga. Paramedic license and possesses and maintains National Registry certification as a Paramedic.
- o Ability to obtain or possesses Certified Emergency Manager designation by State of Georgia. Time frame for designation to be determined after appointment.
